File No. of 193 General and Revenue Secretariat

It is seen from this extract that a sum of Rs 2 000 was sanctioned by Govt as contribution for the Ayurvedic conference of 1925 from State Funds.

? Perhaps the present representation for Government grant may be sent to the H.C for favourable opinion.

8. Col. Bholanath, I.M.S. retired
H/S 26/3 and President of the Indian Medical Association, stated recently that the Ayurvedic system is not a sound system of medicine, as the Ayurvedic doctors attribute all diseases to one of the tri-doshas, as which is perhaps what Madrasis mean when they say that all diseases are due to the preponderance of either ಕಫ ಪಿತ್ತ ಅಥವಾ ವಾತ, ಕಫ ಪಿತ್ತ ಅಥವಾ ವಾತ or some other ದೋಷ. Dr. Rajagopal Mudaliar in his Anglo-Indian ಪತ್ರಿಕೆ ದೋಷ ಅಥವಾ, stated that as the Ayurvedic system makes use of [illegible] herbs for the most part for curing diseases, it is not possible to add the precise quantity of any drug required for curing a disease as in the allopathic system. The Ayurvedic system does not seem to be a scientific system as it is not based on scientific diagnosis of diseases

Serial No.

Since the system was ~~dev~~ devised by men like Charaka and Susruta, who knew nothing about Physiology or Pathology. People who have belief in the Ayurvedic system may resort to it. But it is a point for consideration whether it is ~~a point whether it is~~ desirable that Govt. should encourage Conferences of Ayurvedic doctors, who still stick to the Tri-doshas and even in Conferences like the All-India Ayurvedic Conference. money spent in encouraging such conferences will be spent usefully if such conferences ! modernize the Ayurvedic system by using scientific methods of diagnosis and treatment and by undertaking chemical analysis of Ayurvedic remedies and by trying to find out to what extent the chemical properties of the remedies fulfill the purpose which the Ayurvedic pandits have in view, as was done by Mr. Wadkarni of Bombay. The Senior surgeon may be consulted on the points referred to, if necessary.

All this is not to the point. We have only to see whether a reference to Govt. is necessary or not.

It is needless at this time of day to point out or emphasise the usefulness of Ayurveda or of Conferences of this kind.

I wish to bring to your kind notice that this is the first time that an All Karnataka Conference of this kind and magnitude is sought to be held here. It is a unique opportunity for the Shimoga District and those that have at heart the improvement of the Malnad to appreciate the educative value of a Conference of this kind being held in the Malnad.

On behalf of the Reception Committee, I earnestly appeal to you to give a proper lead to institutions and individuals alike by a generous contribution and serve at once the triple causes of Ayurveda, Karnataka and the Malnad

Thanking you in anticipation of your kind compliance,
I remain Sir,
Yours very truly,

General Secretary. For President
